Dear Mr Ivlijev,

APPROVAL OF SUPPLIERS

We are pleased to inform you that our evaluation of your organization and quality system via OPS-MAT-01C questionnaire is now completed. Approval is granted for FL Technics, AB to act as an approved supplier to ST Aerospace Engines Pte Ltd for the Supply of CFM56-3, -5B & -7 Engine Spare Parts and Components.

Please inform STA Engines' QA Department of any changes in the organization structure or company's ownership. Kindly submit certificates that are renewed.

In addition, no Parts Manufacturer Approval (PMA) parts and Designated Engineering Representative (DER) repairs are allowed unless written approval is given by ST Aerospace Engines.

This approval is given subject to your continued compliance with the requirements and quality standards as documented in ST Aerospace Engines SOP OPS-MAT-01.

Yours faithfully

ST AEROSPACE ENGINES PTE LTD
